

On the Way to Kindergarten

Summer Learning Packet

To prevent the “summer slide” it is important to reinforce skills over the summer. Choose activities from this packet, play cards or dice games to strengthen number and counting skills, practice letters and sounds and most importantly, read, read, read! Children will get to choose a prize out of my treasure box if they bring in a completed summer reading log when school begins in August!

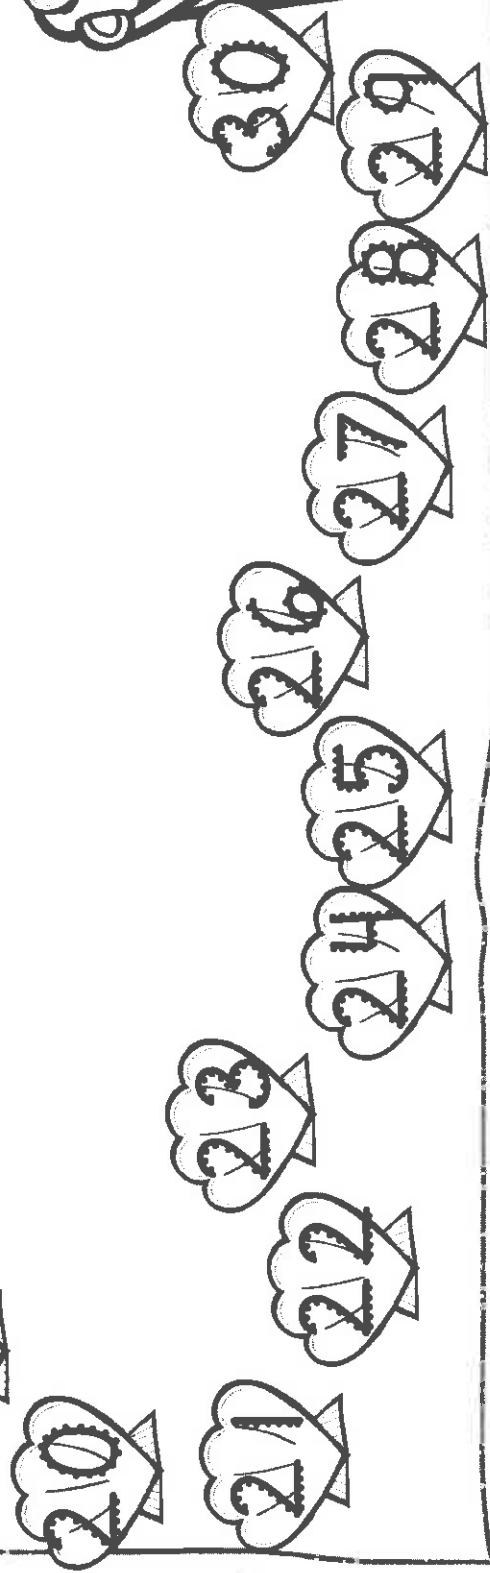

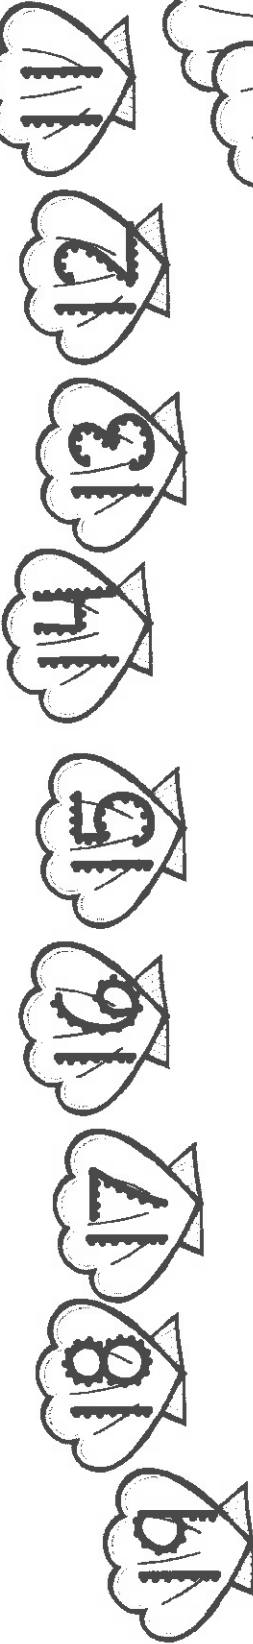

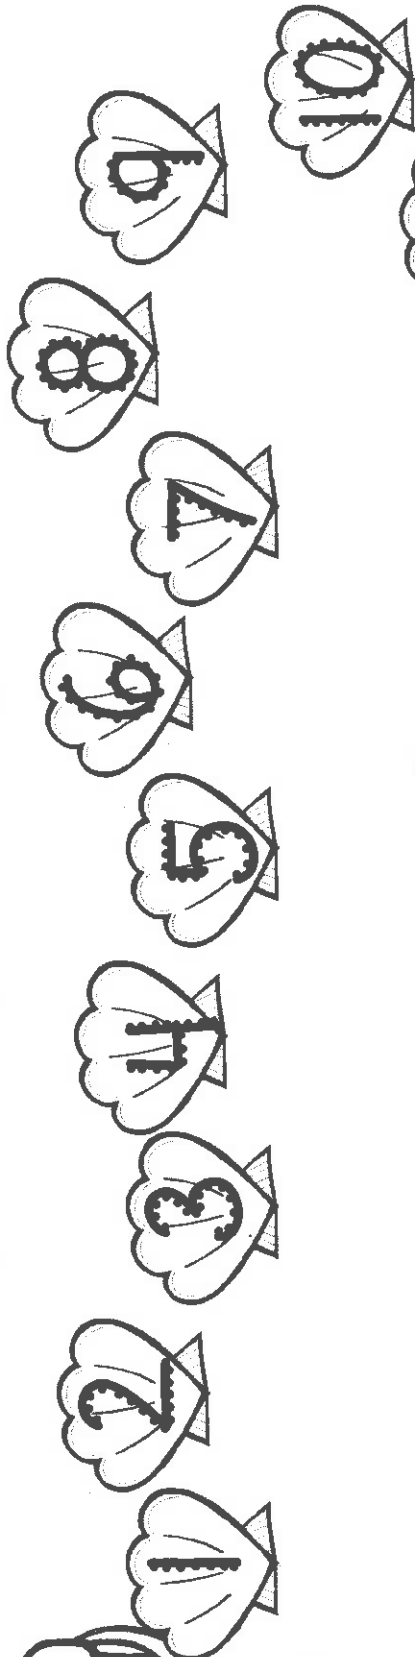

God's Blessings,

Katy Miller, ECE Director and Kindergarten Teacher
